

The diagram consists of several thin black lines forming various triangles. A large triangle is on the left, with its base on the left edge. Another large triangle is on the right, with its base on the right edge. In the center, there are two smaller triangles, one above the other, both pointing downwards. A thick black horizontal line runs across the middle of the diagram. On the right side of this line, there is a rectangular box containing the text '1X-COG-NOM-TAV-2'. The box has a thick black border and a thin black border inside. The text is in a bold, sans-serif font.

1X-COG-NOM-TAV-2
